**“DOING
GOOD
BETTER”**

UNION COUNTY
Nonprofit Consortium
Networking Conference

Dear Colleagues:

Several years ago, a group of executive directors started meeting for breakfast once a month. We share our concerns and offer each other support.

Our Mission: The common good of vital services to Union County citizens can best be maintained through a strong system of Union County social service agencies who covenant:

- To build capacity
- To build collaboration
- To assure continuity of a vibrant and responsive social service system.

In order for this group to have sustained value, we focused on including others and thought a full day conference would be a great way to engage our colleagues.

We sent a survey out to discover what our Union County colleagues felt were some of the key issues.

The workshops, networking, and resource booths are in response.

We hope to meet you at the Networking Conference.
