OUR MISSION

*The **Union County Youth Services Steering Committee** is committed to increasing the number, availability, and accessibility of youth services to youth and young adults, and works to ensure that Union County's youth/young adults know how to secure the resources they need to develop and realize their potential for productive, self-sufficient lives as adults.*

Members of the Steering Committee represent public and non-profit youth-serving agencies, child advocates, volunteers, and faith-based organizations. They meet regularly to share information and resources, identify and close any major gaps in youth service programs, and to disseminate found resources through websites, media announcements, public forums and an annual conference.

GOALS

∞ Serve as a vehicle for fostering communication and networking among youth services providers and youth consumers

∞ Improve youth service effectiveness and outcomes.

∞ Share information, resources and expertise among providers and youth and parent consumers.

∞ Improve coordination of and access to services by youth and parents.

∞ Encourage development of an integrated youth and young adult services system.

∞ Improve utilization of existing youth resources and promote development of new services.

∞ Foster cross systems coordination, encourage collaborations and build linkages among youth service providers and resources.

∞ Stimulate use of innovative and evidence-based practice models through research projects and pilot demonstrations.

∞ Provide training and educational opportunities for staff working with youth and young adults.

∞ Develop and share standardized outcomes, performance measures and evaluation tools.

RESULTS

∞ The establishment of a strong county-wide foundation within the Union County Youth Services Steering Committee

∞ An annual Union County Youth Services Networking Conference that happens in October.

∞ Creation of a network that conducts and shares meetings and forums to share information, resources, and services for youth and young adults

∞ The development of the **Union County Youth Directory,** a computerized public database rich with resources for youth and service providers

∞ A group of strong advocates interested in participating in public information and awareness campaigns to encourage additional youth service groups to join in the cause.

MEET THE LEADERSHIP TEAM

SID BLANCHARD is the founder and executive director of Community Access Unlimited. CAU began in 1979 with a $90,000 grant to move 20 individuals out of institutions to community living and has grown the agency to no support over 6000 people throughout the state in areas of housing, support services, vocational supports, recreation, money management, advocacy, and more. Services in the home are provided to anyone in need including at-risk youth and adults with developmental disabilities, seniors and veterans.

In the most recent years, Sid has created more opportunities for increased community integration – starting three councils to join the interfaith community, youth services, and non-profit leaders with the common goal to bring upon community wide benefits together.

Sidney is a pioneer, leader, and ardent advocate in providing community supports for people in need. He is active in both local and national level organizations that further initiatives for individuals with special needs.

Trauma-Focused Cognitive Behavioral Therapy

What is Trauma-Focused Cognitive Behavioral Therapy (TF-CBT)?

- TF-CBT works well with children, ages 5-20, who are having emotional or behavioral problems resulting from sexual and/or physical abuse, neglect, witnessing violence or a tragic incident or loss.
- Effective treatment, working with a TF-CBT therapist and your child
- Individual/Family Therapy occurs weekly, usually complete in 12 to 16 one-hour sessions

Children and parent(s) learn:

- How to recognize problems resulting from childhood trauma
- Skills for managing troubling thoughts, feelings and behaviors
- Relaxation skills
- Ways to cope with difficult memories

What can I expect from TF-CBT?

- Help in overcoming distress related to childhood trauma for the parent(s) and for the child
- Reduction in child's problem symptoms or behaviors
- Increase in skill and ability of child and parent(s) to cope with childhood trauma

Cooperative Counseling Services is dedicated to ensuring that all aspects of your child's care are addressed. The clinical team collaborates with your child's school, pediatrician, and all other involved agencies as needed.
