MEMBER'S SPOTLIGHT

Sharon is one of the SLAP members at Hillside 1. She is a bundle of joy to be around and has a memorable laugh that lightens up a room. She enjoys attending CAU recreation events and always interacts with all the members that attend. She has a positive outlook on turning any situation around if any problems should arise.

Sharon makes it her top priority to be prompt and on time when attending events. She loves to attend social events such as Disney on Ice and Medieval Times. She enjoys getting her nails done and watching the minions in her spare time. In 2016, Sharon acted in the CAU Community Players production of The Music Man Jr. and she has plans to return for this year's, Aladdin Jr.!

Sharon has made several friends attending CAU recreation events. She continues to explore options of travel but mainly she loves local events with the agency. Sharon is someone her roommates look to for information about recreation and is a frequent visitor to the office to follow up on new events.

WHY IS RECREATION SO IMPORTANT?

- **EXERCISE** - Studies have shown that regular exercise can help prevent diseases, control your weight, increase strength, improve stamina, help you sleep better, and just make you feel better in general
- **RELAXATION**- Calm your mind, and you'll lower your blood pressure
- **GROUP PARTICIPATION** - Participating in any kind of group activity—a class, theatrical production, community league sport, or pick-up game, has all kinds of benefits. Group activities help you build your social skills and social networks.
